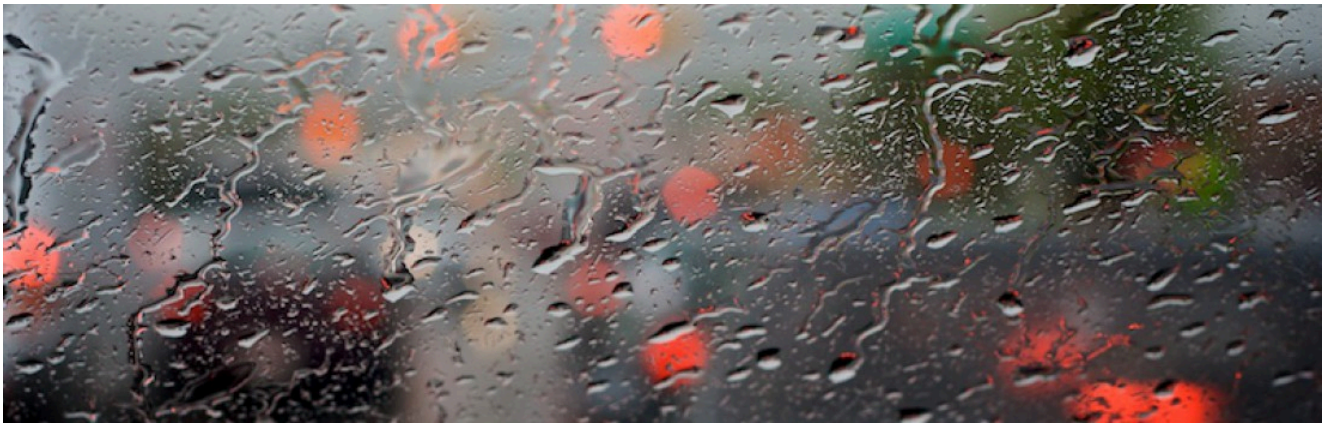
CATATAN PELIPUR LARA

Guratan kenangan yang masih tersisa walau disapu badai



Garis Akhir Telah Terlihat di Horizon

Should I stay or should I go?
If I go there will be trouble
and if I stay it will be double

—The Clash, *Should I Stay or Should I Go?*

Saat engkau telah memberikan semua yang engkau miliki, tetapi seakan tak mendapatkan apapun selain lebih banyak lagi permintaan untuk kau penuhi. Saat engkau merasa bahwa sesungguhnya dirimu tak penting lagi, tak dibutuhkan lagi, tak diinginkan lagi, tak dipedulikan lagi. Saat pada akhirnya engkau telah melihat batasmu mulai hadir di horizon senjakalamu.

Dan hal itu seperti saklar yang di-klik dalam kepalamu. Dan engkau tak akan peduli lagi apa yang akan terjadi selanjutnya. Bukankah itu adalah saat engkau untuk pada akhirnya berkata, cukup?

Aku tahu, masa itu akan datang di tiap-tiap orang. Orang seperti dirimu.

Seperti juga diriku.

I am only human. Lived in Jakarta but somehow left parts of my heart somewhere else. This blog is about getting on with things as they are. The disasters are all about continuity, about finding ways of enduring in the face of hopelessness; what we do deals in the need to find ways of telling truth in a postmodern world of rumbling emotional chaos. My writings are about both; about bearing the unbearable and giving a true account of it. This is my memories, this is my journey to fade into nothingness.

What's happened in the past is in the past, nothing can be done. That's your own line that I remember clearly. So why don't you stick to it and stop treating your ex like she's still special? You have your own life, my dear friend, just like me, like her, like your other ex-girlfriends. Everybody deserves to his or her own life apart from their past, or someone who makes them look forward to tomorrow. Not the past.

Yeah, you're right. Thank you. I guess she loves me not. Not anymore maksudnya. Heheh, ya sudahlah. I've been wasting my time kayaknya ya and live goes on. Silly me… 🙂

Oh, what a lovely conversation. This feels really good. Is it weird that I sense that you sounded a bit too 'excited' about who's finally moving on from who, my dear lady?

Ow dear.. I didn't meant to upset you, Pet.

I just don't wanna see my friend sad. And I know that he's so damn sad. Don't you know that? Don't you know that he really loves you so he couldn't and he wouldn't leave you?

Your name is not carved just on his chest but his heart, I know. So I trully hope this isn't just a game of revenge for you.

what is it with you and the way he treated me? does it bother you sooo damn much that yes, he still thinks and treats me differently, I can see and feel that. I am NOT blind neither ignorant. I feel lucky, I feel unbelievably blessed that he is still there for me. Not that this is any of your business,

sorry, but I don't think I need to revenge anything. I don't stoop that low. So, yes, please stop. Stop thinking that you know the best of everything. Stop thinking that you're just trying to help or fix things. THIS IS between me and him. Leave that be. Don't you have a husband you need to take care of or something? Then go, play a good housewife. Stop bitching about other people's lives.

He helped and fixed my life once. Without him I will never be like who I am this very day. It's my life debt I have to admit. His time he spent with me is more than enough. So you know it's him I care about, not you or your life. But please, treat him good, don't let him sad. Because he's my best friend I ever had.

Apologize for my responses. Forgive my exploded emotion.

snow, snow, snow…

dalam beberapa poin, kamu bener. saya nulis posting ini saat saya sedih. saya paham kok kamu ngerespon gitu di awal karena kamu sekedar gak suka aja ngeliat saya sedih, makasih. saya seneng kamu masih peduli sama saya. dan memang itu hal yang terpikirkan olehmu, yaitu untuk ngelangkah pergi.

tapi apa sih keputusan yang bener saat emosi sedang di ubun-ubun atau saat sedang di dasar? saya redain emosinya, dan saya akhirnya juga udah komunikasi pendek dengan pet. saya bahkan juga udah bikin keputusan soal posisi saya. makanya saat kamu ngerespon lagi, saya minta kamu buat diem aja. lagian, kamu juga nulisnya soal sayanya gitu amat. 🙂

oya, tapi terus terang saya juga heran, kamu gak biasanya naik darah cuman karena saya bilang ‘shut up’. biasanya kamu ketawa-ketawa aja dan gak setemperamental gitu ngeresponnya. ini bukan kamu yang saya kenal.

tapi apapun itu. makasih snow. dan buat mastiin aja, iya, dia masih seseorang yang teramat spesial dan saya ragu bakal bisa tergantikan. jadi gak usah sarkastis gitu juga nulisnya, snow. ah, kamu juga tau kok.

oke? jangan ngambek-ngambek gitu ya. masih temenan kan?

Look, saya ngerasa saya gak pernah ikut campur ttg bentuk hubungan lo dan pam ye. Ttg perasaan pam ke lo juga, ttg gimana kalian skrg. Gue bs liat lo mencoba jadi temen atau apapun lah ya, tp inget, buat GUE lo itu ORANG ASING. Total stranger. So, BACK OFF. I don’t have to explain myself to you. Wong kenal aja nggak, di mana sih logikanya?

We’ll talk later, mu. Not here, not now. I am still too emotional.

apapun yg akan saya lakukan, bagaimana saya melakukannya, tetap urusan saya dan dia. gak perlulah please ini itu. he’s your best friend, fine I get it. You still don’t have the rights to ask or

anything from me. Jeez, care about anyone you like. just know your place and boundaries.The F, girl, this thing is complicated enough without a third party making it worse. So, shut up.
